		NOTES:				

ARIZONA SCIENCE CENTER: BUILD IT

Learn about engineering, math, and architecture by designing structures that introduce us to principles of building such as following directions and persisting through challenges, defining tools and materials, and collaborating in groups. Registration required.

ARIZONA SCIENCE CENTER: OUR FIVE SENSES

Students will utilize their five senses to practice making careful observations. Will you be able to identify our mystery objects? Registration required.

CAR SEAT CLINIC

Learn how to install and use your car seat correctly and keep your kids safe in the car. Certified technicians will inspect your old seats and replace them if necessary. Call to schedule an appointment.

STORY TIME

All ages are welcome to join the fun. Children will enjoy stories, fingerplays, and songs. Registration required.

SUMMER MEALS

Sack lunches for children will be available.
